1. British Council Great Scholarships for Indian Students

The British Council of India in collaboration with the UK's GREAT Britain campaign offers scholarships for Indian students who possess exemplary academic and extra-curricular records. They offer approximately 35 scholarships for full tuition fee at the undergraduate level, the first-year tuition fee at the postgraduate level, and the entire tuition fee for a one-year master's program or the first-year tuition costs if you wish to pursue a two-year program.

2. LSE Commonwealth Share Scholarships Scheme (CSSS)

In an attempt to facilitate students who possess brilliant academic caliber, the Department for International Development (DFID) along with participating institutions awards 5 scholarships to students from developing nations part of the Commonwealth who wish to pursue a post-graduate degree from the London School of Economics and Political Science so that they can benefit from the excellence of the UK's premier institution. They cover the full costs of the awardee, including the travel costs, maintenance allowance, and the entire cost of the tuition fee. They have previously granted up to £225 to cover thesis costs and also cover the cost of excess baggage for books up to 10 kilograms. It is one of the most sought-after scholarships for Indian students.

3. Ms. Agatha Harrison Memorial Fellowship at St. Anthony's College

This scholarship is for those who wish to pursue advanced research in the field of Modern Indian Studies in Political science, history, and economics from St. Antony's College, University of Oxford. The Indian Government sponsors the cost of economy airfare both ways and bears the cost of awarding stipends and other charges amounting to 29,347 Pounds. Any Indian national who is 30-40 years of age in the October of intake year and possesses an exemplary academic record with 60% or above in their masters and have published works or PhD in the subject of the course is eligible for the scholarship.

4. Saltire Scholarships for Indian Students

Those who wish to pursue an education in the Netherlands can apply for **Saltire Scholarship**. The Scottish government in association with Scottish universities offers scholarships for Indian students worth £8000 that amount to the one-year tuition fee of a full-time postgraduate course, 50 students annually benefit from this scheme. This scheme is specifically designed for students from India, Canada, China, USA, Pakistan, and Japan who wish to pursue a master's degree in creative industries, science, technology, renewable & clean energy, and healthcare & medical sciences. The scholarship is aimed at promoting Scotland as an academic destination and those who are awarded this scholarship are expected to act as ambassadors of both the scholarship and the country. Only those who have already been granted conditional or unconditional acceptance from Scottish universities can apply for the scholarship.

5. Orange Tulip Scholarships for Indian Students

This scholarship or grant is specifically designed to help talented Indian students pursue a graduate or undergraduate course in the Netherlands, it is funded by

government institutions, higher education institutions, and multinationals. It is important to note that not all Dutch Universities offer the **OTS scholarship**, while some may offer a 100% (tuition fee) scholarship, other universities may offer 50% there are yet others who offer only a 25% reduction in the tuition fee, they are also some colleges that only offer visa fees or compensate for the living expense. It is always better to check individual university criteria while applying for a scholarship.

6. UCD Global Graduate Scholarships for Indian Students in Ireland

If you wish to study in Ireland, you can look at these options which are a popular choice for scholarships for Indian students. The University of Dublin, set in Ireland, grants scholarships to those who wish to pursue their graduate-level education, the scholarship is funded by the university itself.

7. Campus France Charpak Scholarships

Indian Students seeking admission in France can apply for this scholarship for Indian students who wish to pursue a master's program at this university. They also offer a separate travel grant scholarship. All the scholarships are based on merit and only those who are 30 and under can apply for the scholarship.

The two scholarships awarded include- Charpak AME Scholarship (Allocation Mensuelle d'Entretien) which includes a living allowance of up to 700 euros along with a fee waiver of up to 5000 euros and a waiver on a student visa and campus France fee, Charpak BCS (Bourse de Couverture Sociale) that grants a waiver on a student visa and campus France fee along with social security and assistance in finding affordable accommodation. Apart from this they also offer a travel grant which includes a one-way ticket from India to France in economy class and a waiver on the Campus France fee and student visa.
