

**CENTRE FOR
CAREER-COUNSELLING, COACHING & PLACEMENT
University of Kashmir
(NAAC Accredited Grade A++)**

3-Day Workshop on Cloud Kitchen Entrepreneurship

The Centre for Career-Counselling, Coaching and Placement (CCCP), University of Kashmir, in collaboration with the Directorate of Lifelong Learning and Skill Development (DLL&SL) and New Generation Innovation and Entrepreneurship Development Centre (NewGen IEDC), University of Kashmir, is organizing a three-day workshop on “Cloud Kitchen Entrepreneurship”. The workshop is scheduled from **7-9 July, 2026**. Only **30 seats** are available and participants will be selected on a **first-come, first-served** basis

The programme aims to empower students and aspiring entrepreneurs to explore the potential of food-based ventures that can be initiated with minimal investment and scalable growth prospects. The workshop will include practical sessions, expert talks, and entrepreneurial case studies to promote self-reliance, innovation, and sustainable livelihood opportunities.

Program Schedule:

- **Day 1 (7 July, 2026):** Understanding the Cloud Kitchen Ecosystem
- **Day 2 (8 July, 2026):** Technology and Operations in Cloud Kitchens
- **Day 3 (9 July, 2026):** Marketing, Finance, and Business Strategies

Registration:

Interested candidates are required to register using the link below to confirm their seat by or before 2 July, 2026:
