

Opportunity For Qualifying National Fellowship Exams

Crash Course For NET-JRF

Organized by

**Division of Animal Biotechnology
Faculty of veterinary Sciences and
Animal Husbandry, SKUAST-K**

About

The Division of Animal Biotechnology, are pleased to inform you that we are organizing a NET-JRF-crash course for post-graduate students. We are committed to provide high-end guidance to students for qualifying these competitive exams.

The crash course has been designed to focus on the key concepts and strengthening of basic concepts of the subjects that will give students an edge for qualifying these highly competitive exams conducted by CSIR, DBT, ICAR etc.

Reputed and experienced faculties from different institutes of the valley deliver lectures and guide the students on how to prepare for the exams in a prudent manner and give them helpful tips and tricks, including which books to read and what study material to get.

The participants will be provided with study material. Regular evaluation by way of mock tests will be conducted.

The application forms will be provided via email. Interested participants are requested to mail on the Email address given below.

**Total Capacity: 30 participants
Starting from: 1st April 2023**

**Contact Information: Dr. Sahar Saleem
