**Subject: - Nomination and Registration for Career Counsellor Training Workshop at CCPC**

**Sir,**

The Centre for Career Planning & Counselling (CCPC) has been actively supporting students by providing opportunities for coaching, placements, and career counselling. The career counsellors designated in various departments have played a crucial role in facilitating these efforts.

To further enhance the effectiveness and professionalism of career counselling across the University, CCPC is organizing a one-day professional training workshop for all career counselors soon. This initiative aims to equip them with advanced skills, enabling them to guide students more effectively.

In this regard, you are kindly requested to ensure that the designated career counsellor from your department registers for the workshop through the following Google Form: https://forms.gle/5na39svWZ2VQSLNXA

In case your department does not currently have a designated career counsellor, we request you to nominate a faculty member for this role at the earliest. The Hon'ble Vice-Chancellor has been kind to approve this initiative, and in continuation of the previous directives from the Hon'ble Vice-Chancellor's Office, it remains mandatory for departments to have an officially designated career counsellor in the best interest of students and the institution.

Your cooperation in this matter is highly appreciated, and we look forward to your department's active participation in this important initiative.

Best Regards
