

CENTRE for CAREER PLANNING and COUNSELLING

University of Kashmir
(NAAC Accredited Grade A+)

No.F (CCPC/Tata strive/G.C.P/KU/23
Dated: 18.10.2023

NOTICE

Centre for Career Planning and Counselling (CCPC), University of Kashmir in collaboration with Tata Strive and Google Scholarship is offering second round of free, online “Google Career Certificate Scholarship Programme”. Students belonging to final year of B.E, B.Tech, M.Tech, BCA, MCA, BSCIT, MSCIT, BSC (MATHS) and Statistics are eligible for attending these free, online capacity-building courses, whereas BBA, BCA, BCOM and STEM Graduates are eligible for Digital Marketing course. Therefore, all Career Counsellors associated with this Centre as well as Heads of relevant departments are hereby requested to circulate the PDF file showing registration link among their relevant student groups and ensure maximum registration by their students. These free, online, self-paced courses will immensely help their students in their placements in future. Therefore maximum participation may please be ensured. Registration Link is shown below:

Note:

1. Those students who were enrolled for this programme earlier but did not complete the course or did not receive confirmation email id from TATA Strive or failed to attend the same can also apply again.
2. All these courses and certificates are completely free of any costs.

Sd/- Director

Dear Learners

Greetings from Tata STRIVE!!!

Tata STRIVE - Google Career Certificate Scholarship Program

These are scholarships for the Google certification program and Tata STRIVE is bringing them to our institution. These programs can help students get on the fast track to an entry level job in a high growth field. Students do not need relevant experience to complete this flexible, online job training.

The certificate can be completed at their own pace in the given time (4-6 weeks). There are 8 Google industry relevant **Domain / Technical courses**.

1. Google Data Analytics Professional
2. Google UX Design
3. Google IT Support
4. Google IT Automation with Python
5. Google Digital Marketing and E-Commerce
6. Google Business intelligence
7. Google Advanced Data Analytics
8. Google Cyber security

In complimentary Tata STRIVE provides **YDM (Youth Development Course)** to upgrade the employability skills on TCS-iON platform which covers:

1. Leading at self
2. Leading at work
3. Leading Social relationship

SME (Subject Matter Experts) sessions will be provided with the help of industry experts.

Kindly refer this link for registration
