University of Kashmir Congratulates Successful Candidates Selected as Assistant Director (E&S)

The Centre for Career Counselling, Coaching and Placement (CCCP), University of Kashmir, extends its heartiest congratulations to all the candidates who have been selected for the post of *Assistant Director (E&S)*. This remarkable achievement reflects their hard work, perseverance, and focused preparation.

It is a matter of immense pride that **14 candidates** who participated in CCCP's *Interview Readiness Initiative* have successfully figured in the final selection list. As part of this initiative, CCCP organized an **Orientation Session on 27th February 2025**, followed by **Mock Interview Sessions on 5th March and 18–19 March 2025**, which saw participation from 42 shortlisted aspirants.

These sessions aimed to equip candidates with essential interview skills — including effective communication, professional presentation, confidence building, and analytical thinking. The mock interviews, conducted by senior professors and former members and Chairpersons of the Jammu and Kashmir Public Service Commission (JKPSC), replicated real interview conditions and provided valuable feedback to help candidates enhance their performance.

The CCCP gratefully acknowledges the constant encouragement and support of the Hon'ble Vice Chancellor, whose vision for student welfare and professional growth continues to guide and inspire such initiatives.
