## Message from the Hon'ble Vice-Chancellor

The Centre for Career Planning and Counselling, University of Kashmir provides career counselling, guidance, training and placement services to Students, Alumni, and Professionals in order to assist and facilitate their lifetime career development and success. Futuristic in its plans and operations, it is an evolving Centre of excellence in providing career services and coaching for many competitive exams particularly Civil Services. The Centre organizes workshops, job fairs, and recruitment events from time to time to help prepare you for your job search. I invite all of you to actively participate and attend these programmes as they keep you abreast of latest developments that take place in today's highly dynamic marketplace. I also invite employers to explore all possible resources and meet with diverse and dynamic range of students from the Valley who are ready to step in and contribute to their organization's success.

I am confident to State that the Young aspirants of J&K would gain immensely from these services available at our Centre.

**Prof. Talat Ahmad**

## Message from the Director

At the very outset, I am delighted to welcome you to the Centre for Career Planning and Counselling (CCPC), University of Kashmir, Srinagar. The Centre was established in the year 2004 as a full fledged Centre aimed at encouraging and augmenting the competitive skills and acumen amongst various classes and categories of students of the State of J&K. Considering its mandate as a step towards building a strong base and career for its students, the University of Kashmir has come up with a state of the art building in the campus dedicated exclusively to this mission.

The Centre actively undertakes coaching for various competitive exams like IAS/KAS/UGAT/CMAT/NEET/NET etc. The Centre has also been actively engaged in creating awareness amongst its youth through organizing workshops, seminars and arranging motivational speeches of reputed public servants and social activists of the State for an overall personality and leadership development of its youth, besides being committed to providing career counselling and placement opportunities to them. In this direction, it is heartening to place on record the Centre's achievements in line with its laid down aims and objectives. Leading business organizations including TCS, AMUL, HDFC, Grameen Bank, Yes Bank, Airtel, Vodafone, Infosys Technologies to name a few who have recruited through our Centre bear witness to the fact that the Centre is set to make an indelible impression amongst its various stake holders-Govt, parents, students and the like as a reputed and renowned Centre for coaching, counselling and placements.

**Prof. Nazir Ahmed Nazir**

## Coordinator's Message

The Centre for Career Planning and Counselling has emerged one the premier Centre of the University of Kashmir. It is our privilege to State that the Centre has been striving hard to achieve its objectives of emerging as a hub for career guidance, Coaching and placement & training of the student community of Kashmir Valley.

Over the years, the Centre has developed its infrastructure and facilities and has developed a strong interface with the industry. As a result of these efforts several leading national and multinational companies have been visiting the Centre for recruitment. Besides this, the Centre has also organized several coaching programmes for various competitive exams including IAS/ KAS/NET/UGAT etc As result of these efforts many candidates have qualified these prestigious examinations. In addition to these activities, the Centre has also been organizing workshops and training programmes for the student community.

All these achievements have been possible due to the active participation of the industry and dedication of student community. It would be our proud privilege to welcome the experts from the industry for recruitment and training placement. We would be also looking forward for the student community to the benefit from the services being provided by the Centre.

**Mr. Mohammad Ayoub Shah**

## Profile of the Centre

The University of Kashmir established the Centre for Career planning and Counselling in 2004 with an aim to help students to attain academic goals. In fact the basic purpose of the Centre has been to provide the students with the opportunity to realize their career potential by exposing them to career planning, career options, decision-making skills, occupational information and reinforcement of appropriate work skills and attitudes. To attain the basic purpose, the Centre has been working towards the following objectives:

- ◆ **To provide the services and resources to the students that are essential in their career and educational planning as well as in their job search;**
- ◆ **To advise members of academic, administrative or supporting staff on how to help a student who appears to have any problem that has become a constraint for him/her to achieve academic and career goals; and**
- ◆ **To provide information and training for the faculty and administrative staff through Staff Development Programme that will help them to act as academic counsellors in different departments/units of the University;**

The Centre has been helping the student set and reach career goals by working with a career counsellor who helps them not only in exploring their values, interests, abilities and personality but also in determining how these and other factors influence their career goals. The Centre has been providing services not only for the registered students of the University but also to such potential candidates who desire to appear for various competitive examinations like civil services, defence services, NET and SLET. The Centre has been providing services in the following areas:

- ◆ Career information resources;
- ◆ Research on industry's future needs;

- ◆ Coaching

### The Career Information includes:

- ◆ Identifying, collecting, evaluating and interpreting information regarding the future needs and expectations of the employers; and
- ◆ Identifying and examining the areas of specializations and skills needed in order to be marketable to future employers

## The Career Planning includes:

- ◆ Engaging all aspects of career planning and development process;
- ◆ Developing criteria for selecting a career in the form of a personal career blueprint;
- ◆ Devising a plan to accomplish academic and career goals;
- ◆ Finding out how well a specific career suits the student;
- ◆ Formulating education plans to match with the interested careers of the student;
- ◆ Assessing the students' skills, values, and work preferences;
- ◆ Engaging all aspects of career planning and development process; and
- ◆ Expanding student's knowledge of academic programs at the University.

## The Career Counselling refers to:

- ◆ Completing career-related interest inventories and explore the meaning of the results; and
- ◆ Exploring educational requirements and options for specific careers and professions
- ◆ The training and placement cell which is responsible for the following:
  - ◆ To prepare and publish placement related documents and brochures;
  - ◆ To develop strategies for proper positioning of the outgoing students;
  - ◆ Develop effective job-search techniques and learn about the world of work;
  - ◆ To identify job opportunities for the students;
  - ◆ To supervise, coordinate, and strengthen all career and placement efforts of the University;
  - ◆ To help students in preparing profiles for their prospective employers;
  - ◆ To supervise the preparation of budgets for placement programs and the expenditure of all funds allocated for placement work; and
  - ◆ To perform such other duties as may be assigned by the University.

## Achievements and Activities of the Centre

The Centre has been helping the student set and reach career goals by working with a career counsellor who helps them not only in exploring their values, interests, ability and personality but also in determining how these and other factors influence their career goals. The Centre has been providing services not only for the registered students of the University but also to such potential candidates who desire to appear for various competitive examinations like Civil Services, Defence Services, NET/SLET, JEE/JKCET etc.,

As a result of these efforts three students of the Centre qualified Centre Civil Service examinations like IAS and IPS over the past few years and large number of students qualified Kashmir Administrative services (KAS) during the period. In addition to this the Centre conducted a number of workshops and orientation programmes during the period where the participants were educated about various dimensions of Civil Service Examinations.

The Centre for Career Planning and Counselling, University of Kashmir has also evolved as a Centre for providing comprehensive training and placement support to the students of various streams within and outside the university. The Centre has developed a close liaison with the corporate sector for training and placement of the students. The centre also works in close collaboration with major chambers of trade and industry including Confederation of Indian Industries (CII) and PHD chamber of commerce. Besides this over fifty students of the university have successfully completed their training at the CII- Godrej Centre of Excellence, Vikroli Mumbai. The Centre has also organised training of students by Bharat Heavy Electricals Limited (BHEL) and Oil & Natural Gas Corporation Ltd. (ONGC), leading public sector companies of the Country. The objective of these training programmes is to provide comprehensive training to the students and to equip them with necessary skill sets required for their productive employment.

In addition to these training programmes the Centre for Career Planning and Counselling, University of Kashmir has attracted leading business houses of the Country for the recruitment of educated youth from the state of Jammu and Kashmir. The main objective of these efforts is to provide a platform to the educated youth wherein they are exposed to the opportunities in corporate India outside the State. These efforts also help the Centre showcase the talent pool of the state to the corporate India. Some of the leading companies that have visited the Centre in recent months include Godrej & Boyce India Ltd; HDFC Bank Ltd; Standard Chartered Bank; Infosys Technologies; Hindustan Unilever Ltd; I Yogi (India), Yes Bank; Tata Consultancy Services (TCS), Religare; Axis Bank; Saint Gobain; HCL Technologies, iQuasar , VBM, Vision India and NIMS Dubai UAE etc. Hundreds of educated youth from the state have been recruited as a result of these placement drives. The Centre has an ambitious plan of developing into a hub for providing comprehensive training and placement to the students.

We strongly believe that the problem of unemployment can not only be solved by providing employment opportunities to the talented youth but also by encouraging entrepreneurship among the youth. The Centre has also initiated several measures to develop a full fledged Incubation Centre for promotion of entrepreneurship in the state of Jammu & Kashmir. The proposed incubation Centre will provide financial, administrative and technical support to the budding entrepreneurs. To initiate the process Centre intends to enter into an MOU with major agencies to setup a comprehensive Incubation Centre.
